The farmers methods have changed myth of recent years. These days the progressive farmer realizes that he is a business man, and keeps an accurate record of his transactions.

Such farmers take advantage of the facilities offered by a modern bank like ours. We make a specialty of farmers accounts, something they all seem to appreciate. An account at our bank saves the farmer a lot of book-keeping, insures the safety of his funds and places him along side other progressive business men where he properly belongs. If not already a patron of our bank, come in any time. We want you with us.

Pure yeast now concentrated in small dose

With the introduction of Yeast Foam Tablets you don't need to eat large quantities of baking yeast to secure its great health-corrective properties

If you are one of those who have been eating large quantities of baking yeast—and perhaps finding it troublesome to get and unpleasant to take—you will be happy to know that in this new yeast, dried and highly concentrated, you can get the same tonic effects, without any inconveniences and with several extraordinary advantages.

This yeast corrects a wide-spread disease

Vitamin deficiency, that the leading medical men are all discussing, is a disease that thousands of people nowadays suffer from, but which has only recently been recognized.

Unlike other diseases, which come from germs or infections, vitamin deficiency comes from a lack in modern foods of the recently discovered element, vitamin.

Its symptoms are falling appetite, indigestion, loss of weight, strength and vigor; unhealed skin; nervous trouble; and other signs of a "run-down" condition.

If you are suffering from any of these disorders, your

trouble may simply be vitamin deficiency, and in all such cases Yeast Foam Tablets are recommended because they are made entirely from pure, whole yeast—the richest source of the essential vitamin.

Yeast Foam Tablets rebuild tissues

By supplying this vitamin, which many foods wholly lack, Yeast Foam Tablets stimulate the appetite, aid digestion, enable you to get strength and energy from the food you eat and thus rebuild the sick tissues and tone up the whole body.

The purity and vitamin potency of Yeast Foam Tablets is guaranteed by the world's largest manufacturers of dry yeast—the makers for 45 years of the famous baking yeasts, Yeast Foam and Magic Yeast.

This guarantee is your protection, so be sure you ask for and get Yeast Foam Tablets. They are sold by all druggists.
