When Hungry Little Muscles Say, "Please Help Me"

DID you ever stop to think who it really is that's talking, when childish voices raise a clamor, "Mother, I'm hungry?"

It's really muscles and bones and nerves and cells worn in the stress and strain of play—that are calling for rebuilding material.

What kind of an answer? The right thing, or just anything? It makes a big difference.

Grape-Nuts, so deliciously crisp and appetizing to taste, and so quick and convenient to serve, is a splendid food for rebuilding young bodies. All the won-derful nutriment put in wheat and barley by Nature, including the vital mineral elements, is there - and Grape-Nuts digests easily, quickly and com-pletely. Served with cream or milk, Grape-Nutsis exceptionally nourishing.

"That's splendid!" says ap-petite. "That's just the need!" say the hungry muscles, nerves

Ready to serve right from the package - always crisp and fresh. A favorite dish with all the family. Sold by grocers.
