

Let the Eagle Squall

Sneered Shiftless Sam: "I am not one of those fellows who squeeze a dollar until the eagle on it squalls. I spend my money as I go along and get some good out of it."

To which we reply: All right, old boy, but if you persist in that plan you will some day be doing the squalling instead of the eagle, and you will be hunting around for some prudent, saving man with money in the bank, to help you out. Nobody loves a miser, but if there is any squalling to be done, it is better to squeeze the dollar and let the eagle do it than it is to do your own squalling.

MAGNETIC HEALING

When correctly understood and rightly applied is the most powerful healing force known. This is a scientific method by which the Cause is Removed without the use of drugs or knife. You will be no expense to learn about its great restorative power in such ailments as Asthma, Bronchitis, Deafness, Weak Eyes, Constipation, Gravel, Stomach, Kidney and Bowel Troubles, Female Weakness, Headache, Nervousness, Neuralgia, Rheumatism, Sciatica, Flu and Sleeping Sickness.

I especially solicit so-called curable diseases, such as apoplexy, Paralysis, St. Vitus Dance, Lame, Stiff and Aching backs.

A Connection.
Jud Timlin says he thinks he must have had a communication from his boy he used to fight with at school, because the outfit board flew up and hit him on the chin.—Washington Star.

Explaining Meteoric Storms.
Though there is some uncertainty as to the origin of meteoric stones or meteorites, they probably are the minute fragments of the primitive nebula that failed to be swept up originally in the formation of the solar system, and which finally chanced to be trapped by the earth's atmosphere.
