

Biologists To Be 'Kings Of The '70s' Scout Derby Days Ahead

EAST LANSING
Molecular biologists will be the "kings" of the '70s, according to many experts.

It was chemistry and physics before and during World War II. Now it is evidently the biologists turn for the science and society spotlight.

Increasing pressure is on for applications of science for cures and treatment of the ills of society and the individual. The '70s may be the age of cures and treatment ranging from relief of cancer to cleaning air and water.

"THE NEXT DECADE will see the control and possible cure of a number of dreaded diseases such as cancer," said

Dr. Edward W. Eisenstein, acting chairman of the Michigan State University biophysics department.

"Many of the questions that we began asking 15 years ago in molecular biology hopefully will be answered in the '70s."

"In the '40s and '50s we saw great advances in the understanding and control of bacterial diseases."

"I think that in the '70s we will see similar advances in the understanding and control of diseases caused by virus. Such advances will be due, I think, to the increasing impact of molecular biology on medicine."

years of major interdisciplinary research on the nervous system and related systems. The nervous system is the most complex organ system of the body. And we are only now developing the necessary physical and chemical techniques needed to understand this system.

"I think we will arrive at a deeper understanding of learning and memory. It may even be possible to develop specific chemicals for improving mental functions."

"Regeneration of injured tissue will be accelerated by new insights in tissue repair and growth. Here at MSU important research is being done on regeneration and the understanding of the nervous system."

"I see the next decade as an era of great advance in the treatment and repair of damaged nerve systems."

DR. EISENSTEIN added, "The next few years will be

Appear In Court Or Lose Your License

On Jan. 1, 1969, a new law became effective which provides a procedural device whereby the Secretary of State may suspend the driving privileges of a motorist upon receipt of a notice that such person failed to appear in court.

Act 322, P.A. 1969, added Section 321a to the Michigan Motor Vehicle Code, under the provisions of Section 321a, a person who fails to answer a citation or notice to appear in court for violation of any provision of the Motor Vehicle Code, or the provision of any ordinance which substantially corresponds to the Motor Vehicle Code "shall be guilty of a misdemeanor."

After 30 days from the date of hearing, which is prescribed in the traffic citation, the court which has jurisdiction of the matter will give notice to the motorist, at his last known address, that if he fails to appear within 10 days from the date of the notice, the Secretary of State will suspend his license.

On Dean's List

FARMINGTON
Bob Hite, son of Mr. and Mrs. Claude Hite of Farmington, has been named to the dean's list for the fall semester at the University of Detroit.

The North Farmington High graduate is a freshman majoring in biology.

Scouting Means "Outing" and That Goes for the Winter Time, too

Scouting means "Outing" and that goes for the winter time, too. Districts of Detroit Area Council have scheduled winter events which are available to local Boy Scout troops, for January.

An active program which includes such appropriate contacts as dog-sled races, ice-rescue rallies, snowball throw, fire building, winter orienteering, tracking and trailing, physical fitness, and other such activities will be featured.

The following events are scheduled for local Boy Scout troops and an invitation is extended to the public to come and see Scouting in action.

On Jan. 17, Sunset District will hold a "Snowshoe Trek" at the E.N. Hines Park; Sauk Trail District will hold a "Klondike Derby" at Warren Valley Golf Club; Michigan District will hold a "Winter Klondike" at Bald Mountain Recreation Area; Northridge District will hold "Winter Olympics '70" at Highland State Recreation Area.

On Jan. 18, Redford District will hold "Snow-Shoe Shuffle" at Kensington Metro Park.

On Jan. 24, Greenfield District will hold "Moonwalk" at the River Rouge Park in Scout Hollow; Huron District will hold "Chivoree" at the E.N. Hines Park; State Fair District will hold "Klondike Derby" at Kensington Park.

On Jan. 25, Lakeshore District will hold "1970 Klondike" at Chandler Park; Mt. Elliott District will hold "Alaskan Dream" at Belle Isle; Downriver District will hold "Winter-ree" at Elizabeth Park.

On Jan. 31, and Feb. 1, Cadillac Square District will hold "Home Nuggets" at Belle Isle.

On Feb. 22, North Trails District will hold "Arctic Games" at the D-Bar-A Scout Ranch.
