Sewing machine tricks taught in summer class

Personalized clothing and home accessories that can be made by knowing a few tricks on the sewing machine will be taught in a new workshop added to Farmington Community Center's summer roster.

"Creative Gifts From Your Machine" is a two-session workshop that runs from 10 a.m. to 12:30 p.m. on Wednesdays, July 23 and 30.

The sessions will be led by Judy Lutz, a familiar exhibitor in juried arts and craft shows who teaches color and design in Fashion Institute of America.

The instructor, who holds an art degree from Wayne State University, said that some basic sewing skills would be necessary for participants to benefit most from the workshop.

Students will learn to applique, using the sewing machine to fashion barbecue aprons, pot holders, decorative basket liners, napkins or placemats.

A popular feature of Ms. Lutz's classes are the customized pillows created in round, square or animal shapes.

Fee is \$14 for the two workshops. Registration is necessary by calling the center, 477-8404.
