P.S. To my husband, Lester, who painted, lifted, carpentered, and even wrote this ad. To Mickey, Sherrill, Elaine, Dorothy, Lois, Sharon, who slaved to make it just how I want it. To Catherine who kept our tummies full. To Bernard, Joyce, Sheryl, Karen, they're not employees, they're family. To special friends who just dropped in and worked so hard. Bernie, who loves the arts and crafts room. Henry, E. F. Hutton talked and I listened! Trudy, Elaine, Alfie — with Love and gratitude — Judie.
