

Andover a close second at swim relays

You couldn't call Grosse Pointe South's win in Saturday's Rochester Relays a runaway.

You couldn't even call it a "swimaway."

South won five events and totaled 234 points to take first place.

But there were two teams right on South's tail — Bloomfield Hills Andover was second with 228 points, and Birmingham Seaholm was third with 224.

Birmingham Brother Rice finished fourth with 194 points. Rochester Adams was fifth, 156 points; Berkley was sixth, 145 points; Royal Oak Kimball was seventh, 130 points; Ulva Ford was eighth, 122 points; Southfield-Lathrup was ninth, 120 points; Rochester was 10th, 116 points; Troy Athens was 11th, 80 points; and Bloomfield Hills Lahser was 12th, 70 points.

Grosse Pointe South set three meet records while taking first in the 800-yard freestyle relay (7:32.05), the 200-yard breaststroke relay (2:00.83), the 200-yard backstroke relay (1:42.43) and the 400-yard freestyle relay (3:24.89).

Andover set records while winning the 200-yard medley relay (1:42.94) and the 200-yard freestyle relay (1:33.07).

The Barons also won the 200-yard butterfly relay (1:44.74).

Andover hurt its chances with a disqualification in the 200-yard backstroke relay.

Seaholm won the diving relay with 542.2 total points, and Rice took the 400-yard individual medley relay (4:03.38).

IT'S DOLOMITES NEW

HIGH

SKI BOOTS

AND THEY GIVE
YOU MORE COMFORT
AND CONTROL WITH
LESS EFFORT

They make curved turns so easy, it's like cheating. It's more boot than you've ever had before. The extra height gives you greater leverage for edging and better ski control. So, you'll really feel your edges. They virtually eliminate shin pressure and discomfort. The entire front of the leg contacts the tongue so that pressure is distributed evenly along the entire lower leg. Serious skiers owe it to themselves to try on Dolomite's new boot. You'll feel the difference right in our shop. Because it's not just a different boot. It's a better boot. It's a better boot and today we have all sizes.
