Skiing with the stars

Trudging and gliding aren't all you can do on cross country skis. For \$1, snow lovers will have a chance to star gaze during "Astronomy on Skis," a ski program at Independence Oaks County Park on Monday. A full moon and notable winter stars, including Sirius, Rigel Pollux and Regulus, await participants, according to Kathleen Dougherty, Oakland County parks naturalist. The program begins at 7 p.m. and will be conducted on foot if snow conditions prohibit skiing. Call 858-0803 to pre-register or for more information.
