The matmen have been assigned to meets at North Farmington, Redford Union and Romulus.  
The North Farmington journey will include North Farmington, Farmington, Bentley, Stevenson, Franklin, Southfield, Lathrup, Walled Lake Central and Walled Lake Western.  
Redford Union and Thurston are in the field at Redford Union while Garden City East, Garden City West and Glenn will vie at Romulus.

NO CHANCE of stopping Garden City East's Dave Jackson (32) as he drives between two unidentified Riverside defenders for a two pointer. The determined look on Dave's face should have been a convincer for the two opponents. (Observer photo)

## Andover High Swimmers Sink Trojans

Andover's swimming team turned back Clarenceville, 64-41, in a dual meet.  
Clarenceville had only three winners — Anohn in the 50-yard freestyle; Storgen in the 100-yard butterfly and the freestyle relay of Muir, Storgen, Ireland and Anohn.

## Cold Spell Leads To Sorrows' Loss

St. John's of Ypsilanti returned back Sorrows, 27-23, when Sorrows went cold in the final three minutes.  
Sorrows had fallen behind, 37-25, in the first half but with Mike Hart and Chris Centers leading the way with six points each, Sorrows closed the deficit to four points after three quarters.  
**THEN DON BLOUN** flipped in six points early in the fourth period and Sorrows found itself tied at 51-51 with about three minutes to go.  
But that's when the attack came to a halt.  
For two and a half minutes, Sorrows drew a blank. St. John's didn't do much better, but was able to cage a couple of baskets and that proved enough for the victory.  
Hart had 20, Bloun 14 and Centers 12 for the losers, who had their troubles at the foul line. Sorrows made only three out of 12.

## Lands Six, Luck Ran Out

Pontiac Lake, Stringy Lakes has been pretty good for bluegills, but they are running small.  
"Six beautiful bluegill in 10 minutes, then nothing," muttered a disgruntled ice fisherman as he trod laboriously over snow covered ice after three hours hunched over "dry" holes.  
The anti-climatic drama occurred on Kent Lake in Southern Oakland County Sunday. The six caught were beauties. Two smaller ones hooked in the same 10 minutes went back into the hole to grow up.  
The fisherman had thought his day ruined until two other fishermen broke away from a large cluster, tramped by and asked, "How'd you catch six of 'em?"  
Pontiac District headquarters of the Michigan Department of Natural Resources reported "bluegill fishing is very slow, with some small catches taken from Lakeville, Lake Oakland, White Lake and
