

Locations sought for senior program

Senior Citizen centers and apartment complexes are on the list of camera location sites for the month of March for the Oakland County Senior Citizen Discount Program. More locations are being sought by program organizers. Persons who would like to have their business used as a camera location may telephone Gayl Meger at 858-5171. Seniors may have their photographs taken at the sites and laminated into plastic identification cards. These ID cards will enable seniors in Oakland County to take advantage of discounts offered by local merchants, ranging from 4 to 50 percent. Discounts are offered on a variety of items such as automobile parts, rust-proofing, hair care, prescription drugs and eyeglasses. A directory of participating merchants is now available and may be purchased for 65 cents at the camera locations and senior centers. Persons

who wish to order the directory by mail should send a check for \$1.20 to OLH-SA, 196 Oakland Avenue, Pontiac 48038. To participate in this program a senior citizen must be 60 years of age or older and a resident of Oakland County. Locations for March are:
