

Come, step through our garden

gate. And enter a world of filmy
florals, tucks and ruffles, iced
pastels. Everything that's delicate

and demure. It's our newest and
most romantic way of embracing spring. Here,

BELLE FRANCE cultivates the look with a garden-party

dress in a tiny pink print. Gently tucked from jewel neck

to just below the waist, with little roll sleeves and a self-sash. In

soft, fluid rayon, sizes 4 to 12, \$108. One from our lovely

Belle France collection, now blooming in The Woodward

Shops at Hudson's Downtown, Northland, Eastland, Oakland,

Fairlane and Twelve Oaks.
