2-motorcycle courses at 'Ridge'

Two motorcycle safety courses will be offered at the Oakland Community College Orchard Ridge Campus in Farmington Hills as part of a spring short course series. "Motorcycle Safety" and "Better Biking" will be taught by instructors licensed by the Motor Cycle Safety Foundation.

Motorcycle Safety will be offered to beginning riders 18 years of age or older who have a valid driver's license. The course includes both classroom and actual riding experiences so that students may learn motorcycle rules and regulations and traffic safety skills before venturing out on the roads. Motorcycle maintenance and acquisition of insurance will also be covered.

Although motorcycles will be furnished, a refundable \$15 fee must be paid at the onset of the course. The four sessions will meet 5:30 to 9:30 p.m.

on April 27 to May 27, Mondays and Wednesdays; April 28 to May 26, Tuesdays and Thursdays; June 1 to June 29, Mondays and Wednesdays; and June 2 to June 30, Tuesdays and Thursdays.

"Better Biking" will be offered to more experienced motorcyclists in a two-day weekend course. Emphasis will be placed on vehicle inspection, turning, speed adjustments, lane changing, quick stops, and other maneuvers. The course will be offered on May 16 and 17 or May 30 and 31 from 9 a.m. to 5 p.m. to students with their own motorcycles. The cost per weekend is \$20.

Students in both courses will be asked to provide their own helmets, boots and gloves. Registration will be held up to and including the first day of class. For registration details and/or additional information call OCC at 476-9400, ext. 212.

...amid the Highland bagpiping

The sound of the great Highland bagpipes will resound through the halls of the Oakland Community College Orchard Ridge Campus in Farmington Hills.

An introductory course in Highland piping will be offered this spring as part of a series of non-credit, short courses. William O'Donnell, a pipe major of the 42nd Highlanders of Michigan, will conduct the class on Thursdays from 7-9 p.m. from May 7 to June 25.

Although bagpipes are not required for this introductory course, students will practice on chanters which will be ordered the first night of class. Registration will be held up to and including the first day of class.

O'Donnell, of Rochester, teaches in the Birmingham School District. For enrollment information about his course, contact him at 373-2855 or call the Office of Educational Services at the Orchard Ridge Campus, 476-9400 ext. 226.
