

Farmington Community Center

24705 Farmington Road
Farmington Hills, Michigan 48018
313-477-8404

May 4, 1981

DEAR FRIENDS AND NEIGHBORS,

We know that you realize the value of the Farmington Community Center because thousands of you participate yearly in Center activities.

Many of you attend classes or workshops to learn new skills. Many come for entertainment and to meet new and old friends. Many bring your children for classes, recitals and plays. Many attend the art and craft shows and exhibits and the chamber music concerts. Many support the Farmers' Market and the Second Edition "experienced" clothing shop.

Many of you come simply to enjoy this historic site and experience a part of a gracious past. Activities are planned for YOU and YOUR families. The Center is available for YOUR meetings, social activities and weddings.

The Community Center is a non-profit organization receiving no city monies or United Foundation support. Class tuition, rentals and special benefits cannot completely cover our operating costs. For this reason, we must conduct an Annual Fund Drive. This year's goal is \$81,000, which includes provision for much needed repairs and improvements.

Please consider the needs of YOUR Community Center. Mail your TAX DEDUCTIBLE contribution today.

Sincerely,

Betty J. Paine
