

Don Landis (left) and Thomas Patterson found a quiet fishing retreat aboard their canoe. George Fantazian (background) seems to prefer a spot on the shore.

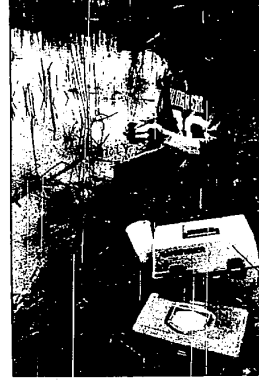

Springtime activity poppin' at Farmington Hills pond

A red-winged blackbird stakes out its territory in the marsh.

A mood of tranquillity prevails on a cloudy afternoon.

Brad Fisher gets ready to cast his line.

INSIDE ANGLES

KAREN MORRIS, the 9-year-old Woodcreek elementary school student who holds the title of Little Miss Michigan for 1980-81, has just added another trophy to her collection.

She was first runner up in the North American Pageant System's National Modeling Convention held in Detroit's Airport Hilton recently.

A bonus for the daughter of Mr. and Mrs. Dan Morris of Farmington Hills was being approached by Steven Steine, a child photographer, to do professional modeling. She's been modeling in contests and winning since she was three.

Congratulations also to Amy Menkin, a sixth grader at East Middle School, who is now a published poet. Her poem, "Change of Seasons," was selected for publication in Elementary Authors of Michigan through a contest sponsored by the Michigan Reading Association.

Amy, 12, is the daughter of Mr. and Mrs. Bruce Menkin of Farmington Hills.

THE SECOND EDITION is the label given to the Farmington Community Center's resale boutique spring fashion show scheduled Monday, May 18.

Members of the group will model spring and summer fashions for men and women from the collection of clothing and accessories found in the resale boutique of the community center.

The show will be at Mercy Conference Center, 28600 11 Mile. Call 477-8404 for information.

LESLIE GOLDMAN'S proud mother wants to announce that her daughter, a musician, will give her senior recital Sunday May 31.

That's when Leslie graduates from Michigan State University with a bachelor's degree in music. She majored in performance and has been principal and co-principal flutist beginning her freshman year.

Leslie, of Farmington Hills, is a graduate of Clarenceville High School, where she received the Arion Award and the John Philip Sousa award for outstanding achievement in music.

FATHERS FOR EQUAL RIGHTS, an organization devoted to changing custody rights in divorce cases in favor of father, will meet on Saturday, May 9.

The meeting is planned for 3:30 p.m. at the Riverview Civic Center Hall. The entrance is off Sibley between Fort and Grange roads.

For more information, call the Wayne-Oakland-Macomb chapter at 354-3080.

POPPY DAYS will be observed May 14-16, the American Legion Groves Walker Post and Unit 348 says.

The poppy is a symbol from the wild red poppies that bloomed in abundance on the battlefields of France in the spring of 1918.

A replica has become the memorial flower of the American Legion and the American Legion auxiliary since 1921.

Poppies are made of red crepe paper by hand by disabled veterans in hospitals and poppy workrooms in 40 states.

All proceeds from the sale of poppies are used in the veteran's rehabilitation and youth programs and to aid needy veterans in hospitals.

Members of the post will be on the streets asking for contributions.

KUDOS TO ROBERT J. ALLEN of Farmington who has been awarded 10 patents as a result of his advancements in packaging equipment technology.

Allen was recently appointed manager of development engineering for the packaging systems division of ExCellO Corporation.

He's now responsible for all engineering development projects for the divisions Pure Pak milk packaging equipment.

Allen, who has 10 children, attended Lansing Business University, Eastern Michigan University, and has taken management training courses at Wayne State University.

JERVIS B. WEBB Company of Farmington Hills will be saluted this month in New Orleans for its 20-year affiliation with the American Trucking Associations Inc.

The Operations Council of the American Trucking Associations will present Webb officials with a certificate of recognition May 16 during the concluding luncheon of the 1981 TOC annual exhibit in New Orleans' Fairmont Hotel.

The Operations Council each year sponsors a trade exhibit to promote the advancement of the U.S. Trucking Industry.

Webb, world's leading producer of custom engineered conveying systems, has participated in TOC's exhibit for 20 consecutive years, most recently displaying the shallow tow and towveyor and overhead conveyor systems.

Through its various divisions, subsidiaries and affiliates, the Jervis Webb company offers a complete line of materials handling products and services, including: power and free systems, heavy and light duty overhead conveyors, cranes and monorails, automated storage and retrieval systems, computerized inventory controls, belt conveyors, and chain driven and belt driven live roll conveyors.
