

Fire Prevention  
DRC's Concern

"THINK FIRE PREVENTION."  
That is the slogan Detroit Race Course officials have decided to use to help combat fires that have swept other major race track stable areas across the country.  
Even neighboring Hazel Park had two serious fires this spring.  
As a result of the dollars lost in horseflesh, stable area property and subsequent loss of horsemen interest, DRC officials - including management, fire and security representatives - decided on a plan to combat, as much as possible, the threat of fire.

Thus was born the twice-weekly Fire Prevention School. With the cooperation of the Livonia Fire Department, the track has a brief, morning "School session," every Tuesday and Thursday morning in different parts of the stable area.  
Attracting trainers, grooms, hot walkers and as many stable area personnel as possible from the immediate barn area where the "school" is being held, Thoroughbred Racing Protective Bureau Chief Robert Quirk and Livonia Senior Fire Inspector Bob Newsted conduct "classes."

OBITUARIES

ISABELLE A. SCHUBERT, 80, of 1328 E. Livonia, was born in the United States. She was a member of the Holy Sepulchre Church and a member of the Holy Sepulchre Cemetery. She died on August 21, 1968, at the age of 80.

OBSERVER  
Sports News

THE DETROIT LIONS made a lot of the signing of Gary Yareman two years ago to kick extra points, field goals, etc. Yareman never had played football before, never had seen a football stadium before, a rookie who can't play from Detroit.

High School with the veterans beginning work four days later.  
PEDRO GOMEZ, coach with the Los Angeles Dodgers since 1965, has been named manager of the new San Diego which enters the National League next season. He has been connected with baseball for 22 years, but never before has managed a big-league club.

PLAY CONTINUES Sunday and Monday in the Michigan State Handball Association-sponsored three-walled national tournament at Palmer Park in Detroit.

REMEMBER Tommy John?

Tommy John was a pitcher for the Chicago White Sox who pitched for the Detroit Tigers. He was a member of the 1968 U.S. Open team.

Area Duo In Skate Meet

The best of the country—John Morrison from Redford High School and John Mann from North Farmington High.

Both emerged as U.S. champions in the national junior roller skating meet held at Eugene, Ore., last weekend.

Morrison captured the high hurdles in 14.3 seconds, although running in the rain and on a muddy track.

Mann won the high jump with an effort of six feet, seven inches.

Preps Annex U.S. Track Titles

Michigan successfully retains its championship with 18 points, 14 more than runner-up Louisiana, 11, 38 states competed.

Larry Diskner, Michigan's high school pole-vault champion from Waterford, cleared 15 feet to win his specialty while Willie Poik of Flint Northern took the 100-yard dash in 10.3 seconds flat.

For Morrison and Mann, the meet ended the summer season.

Mann is slated to enroll at the University of Michigan shortly while Morrison returns to Redford Union for his senior year. Morrison plans to run on RU's cross country team this fall.

Does seeding into an old lawn really work?

Read our mail!

Why it is now practical

With the introduction of Windsor, the remarkable new variety of Kentucky bluegrass, seeding into an existing lawn became practical. Now, with a little patience, you can upgrade your lawn without digging and starting over. Your ultimate reward will be the rich green carpet that only Windsor can provide. And fall is the naturally right time to seed.

Whether you seed or not, right now is the time to fertilize. For a better lawn this fall and next year, your grass is probably hungry right now. Feed it with Turf Builder, the fertilizer that makes grass multiply itself. (See money-saving Seed/Feed special below.)

We're Wrong On Scholarship

The Observer Newspapers in a story about Charles Morse, star Clarenceville High gymnastic performer for the past three seasons, stated that Morse had received a scholarship from the Shriner to attend Michigan State University starting this fall.

The scholarship actually was presented by the National Vocational Rehabilitation Center, although the Shriners have helped Morse, who whipped childhood defects to his legs to become a star athlete.

"Early last fall we seeded Windsor into our lawn. Results were better than we had hoped for and we are so pleased." MRS B. SPRINGMAN

"We had a problem lawn for years, until we seeded Windsor into it and now we are very pleased with the results." HARRY HESS
