

Catholic Central overcomes pre-district foe

Detroit Catholic Central cleared its first hurdle in the state Class A Baseball Tournament Tuesday by defeating Livonia Stevenson, 9-0, in a pre-qualifying game.

The Shamrocks will now face Livonia Franklin in a qualifying game May 22.

The CC-Stevenson confrontation was expected to be much closer. The Spartans have been hitting better than .300 as a team.

But Stevenson was limited to just one hit — a lead-off triple in the first inning by Matt McAuliffe. The Spartans had six other base runners, five by CC errors, but couldn't break into the scoring column.

Brandy Basinger ripped a two-run home run and also singled. He picked up four RBIs. Carl Ruffino went three-

for-three, all singles, and Kevin Kroll poked a two-run single.

Bill Matthews was the winning pitcher. He struck out five and walked one. The five runs of work, Mike McDonald picked the last two innings for the Shamrocks.

Last weekend, CC swept a Catholic League Central Division double-header from Detroit DeLaSalle, 5-3 and 8-6. Jerry Scanlon collected three hits in the second game.

Garden City West pulled into a first-place tie with Taylor Kennedy in the Tri-River League by downing the Eagles, 8-3.

The victory avenged the Tigers' only

conference loss of the season and left both West and Kennedy with 8-1 league records.

Joe Winnicki tripled and doubled, Rich Smith tripled and singled and Barry Leckner doubled and singled for West.

Terry Justin, the winning pitcher, went all seven innings. He was reached for four hits, struck out five and walked four.

Landscaping is more than planting a few shrubs. It's an art that transforms a house into a home by creating an attractive composition. The right selection of plants will give color, texture, fragrance and form. Landscaping is also functional. It should suit your family needs. Play area for the children, patio area, and a privacy area.

A carefully designed landscape not only increases the property value, but also reduces energy costs. A well-planned tree reduces heat build-up indoors by blocking out the sun's rays. Winter it allows the sun's rays to provide heat.

Whether you're starting with a new or older home, it's important to start with a plan. Let us help you with your landscape needs. We will design it to meet your needs, you can do your own planting or we can do the work for you.
