# Farmington students join Tower Guard

Tradition and surprise marked the annual May Morning Sing at Michigan State University as 110 students were "tapped" into two distinguished honoraries, Mortar Board and Tower Guard.

Kimberly Gurvey and Tammy Humm from Farmington Hills and Richard Shearbridge from Farmington were tapped for Tower Guard.

Traditionally, roommates and friends are responsible for delivering the unsuspecting new members to the 7 a.m., May 1 ceremony at Beaumont Tower.

The initiates, as well as numerous parents and

family members, were serenaded by the MSU Singing Statesmen. MSU President Cecil Mackey concluded the ceremony with a short speech congratulating the inductees.

Tower Guard, established in 1935, selects outstanding freshmen on the basis of high academic achievement, good character and a willingness to serve.

Mortar Board, celebrating its 46th year at MSU, is a national organization of incoming seniors committed to the ideals of scholarship, leadership and community service.
