## LOSE WEIGHT

I cannot begin to thank you enough for the effect your weight loss program has made on my life. In the past I have tried many fad and chemical reaction diets. At one point I even had my ears stapled! I then made an investment in Health Farm Visits. (this of course was unsuccessful). I developed a system of fasting and binging on food. Therefore, each attempt ended in failure and enormous frustration. For once in my life I have developed proper eating habits and have maintained my 22 pound weight loss with the help of New Development Hypnotherapy Center.
