**BUILDING OF STANCE PROHIBITED:** A player is always entitled to place his feet firmly on the ground when taking his stance, but he is not allowed to build a stance.

**A PLAYER SHALL** not play while his ball is moving. The ball shall be played as it lies except when it lodges in a fellow competitor's clothes.

**IF A BALL** lies in casual water, ground under repair or a hole, cast or runway made by a burrowing animal or by a reptile or bird that is not visible, the player may probe for it.

**IF POWER LINES** and cables are readily movable, the player may obtain relief under Rule 31-1.

**CLUB FACES** shall not embody any degree of concavity. When the club face's depressed area is in the form of grooves, each groove may not be wider than .035 inches. When the depressed area is in the form of punch marks, the markings must not exceed .075 inches.

**PAR MEANS** errorless play without flukes and under ordinary weather conditions.

**CONDUCT DETRIMENTAL** to golf is any conduct, including activities in connection with golf gambling, which is considered detrimental to the best interests of the game. ## Gene Littler considered strong contender for title

Gene Littler knows how to bounce back from adversity.

In the spring of 1972, Littler underwent surgery for cancer of the lymph glands. Just three years later, he enjoyed his best season ever as a professional golfer.

In 1975, Littler won the Bing Crosby Pro-Am, the Danny Thomas Memphis

Classic and the Westchester Classic, and finished fifth on the money list with earnings of \$182,883.

Littler, 50, was born in San Diego — the site of his first golf victory as a professional in 1954. Since that time he has won 29 times, for a career total of \$1,537,201.
