Don't turn your thermostat down. Turn it off.

It's a lot easier than you think. All it takes is one Buck Stove. With the Buck Stove you can heat up to 3,000 sq. ft. home with wood or coal. It's thermostatically controlled, blows heat quickly and completely. Buck Stove owners report savings of up to 80% on their heating bills. Our Summer sale is on, so now is the time to buy. Both regular fireplace inserts (shown) or free standing units are on sale.

SAVE \$100
Call or visit your authorized Buck Stove dealer today, and save. Sale ends 8/1/81.
