**If you won't read these 7 signals of cancer... You probably have the 8th.**

1. Change in bowel or bladder habits.
2. A sore that does not heal.
3. Unusual bleeding or discharge.
4. Thickening or lump in breast or elsewhere.
5. Indigestion or difficulty in swallowing.
6. Obvious change in wart or mole.
7. Nagging cough or hoarseness.
8. A fear of cancer that can prevent you from detecting cancer at an early stage. A stage which is highly curable. Everyone's afraid of cancer, but don't let it scare you to death.
