Perhaps you're already acquainted with the benefits of SEMTA Track Team membership. The convenience, the comfort, the camaraderie to be found on our Silver Streak trains.

But now there are two more reasons to join the Track Team. Which involve not going to work, but getting to play.

WITH SEMTA, IT'S NEVER TOO LATE TO LEAVE EARLY.

Let's say you've caught up with your work, and you're looking wistfully out the window of your Detroit office. Wondering what your family is doing. Or thinking about how nice an early golf game or a long weekend would be. To turn thought into action, simply catch our new train at the Ren Cen. It leaves at 3:45 p.m. and arrives in Birmingham at 4:23. So you'll have plenty of daylight left to do with what you will.

You say you can't leave

that early? Not to worry. We have a 5:15 Silver Streak that will make up for lost time. It's something of an express, in that it makes only one stop to Royal Oak, and arrives there in a mere 25 minutes. If you live further out, you'll be delighted to find that it delivers you to Birmingham in only 36 minutes, and to Pontiac in 54 minutes. (Try beating that in a car during rush hour.)

But SEMTA train service doesn't just offer you an early way out. There's also a late way in.

MEETING SOMEONE DOWNTOWN FOR DINNER IS AS EASY AS MEETING OUR TRAIN.

If someone you know and love, or would like to know and love works in Detroit, and the thought of dinner, a show or a night on the town together appeals to you, we'll get you there.

Just hop aboard our new Silver Streak train in Birmingham at 4:30 p.m., and you'll be whisked non-stop to the Ren Cen for a 5:20 arrival. Then, have a wonderful evening.
