Pentagon, B-1 bomber given go-ahead from House

Here's how area members of Congress were recorded on major roll call whotes July 9-15. by universities and think tanks and that votes July 9-15. by universities and think tanks and that votes July 9-16.

DEFENSE SPENDING: By a vote of 150-194, the House rejected an amendment to make the Pentagon answerable to the same grants and contracts procedures that other departments and geneise must follow. The amendment was offered to the defense authorization bill, which exempts the Pentagon from a law requiring departments to use contracts in acquiring property or services. Because major contracts entil competitive bidding, the law controls the multi-billion dollar federal no distaining basic research. The bill as headed for final passages are suffered to the defense authorization obtaining basic research. The bill as headed for final passages are suffered to the spent on defense in the next five years," the exemption could result in "a less effective defense and millions of dollars wasted in unrealistic research procurement."

Opponent Melvin Price, D-III., said grants are useful infancing research.

able to the Department of Defense."

Members voting "nay" vanated to exempt Pentagon research procurement for the procurement of the procurement o

roll call report

"one of the most important national se-curity decisions for the next 30

years. Opponent Samuel Stratton, D-N.Y. said the amendment would "take the control of our defense out of the hands of the Congress and have us sit supinely and wait." for President Reagan's decision on whether to build the B-1.

sion on whether to build the B-1.

Most members voling 'yea' opposed or leand against production of the B-1 bomber.

Pursell, Bonior, Ford, Brodhead and Blanchard voled 'yea.'

Broomfield voted 'nay.'

Brounfield voted 'nay.'

DRUG ARRESTS. The House adopted, 362-49, an amendment allowing military personnel to make drug arrests outside of the U.S. land mass and military equipment to be used domestically for drug enforcement. This gives

the armed services their first major role in helping eivilian agencies police drug trafficking. Supporter: Dante Fascell, D-Fla, said: "Frankly, I am so frustrated at the failure of the federal governement to come to grips with the crime and drug problem and with the inability to enforce our immigration laws, I am

drug problem and with the inability to enforce our immigration laws, I am ready to turn it all over to the military. Opponents argued that military personnel are untrained for making legally sensitive drug arrests that will hold up in court, and that the expanded authority — opposed by the Pentagon—would divert resources from the military's chief mission of defending the country.

Members voting "yea" wanted military personnel to have a limited role in

Bonior, Ford, Brodhead, Blanchard and Broomfield, voted "yea." Pursell voted "nay."

SENATE

SENATE

NOISE CONTROL I. By a vote of 5432, the Senate failed to achieve the three-fifths majority needed to end a filibuster mounted by liberals during debate on the fiscal year 1982 Justice Department and the Zuber 1982 during debate on the fiscal year 1982 during the Department and the Courts in advocating busing to integrate schools. Most senators voting "nasy" opposed the anti-busing amendments. Demo-cratic Sens. Carl Levin and Donald Riegle voted "nay."

NOISE CONTROL II. The Senate rejected, 40-55, an amendment designed to retain feederal noise control regulations in a way that benefits America's only motorcycle manafacturer, the

Milwaukee, Wisc. The amendment was offered to a bill that returns most authority for controlling noise from Washington to state and local governments. The bill was passed on a non-record vote and sent to the House.

The rejected amendment would have retained federal standards governing the manufacture — but not operating the standards.

Supporter William Proximire, D. Wisc., said the bill "would have a devastating impact of the provided of the standards.

Supporter William Proximire, D. Wisc., said the bill "would have a devastating impact of the provided of the standards. The proposed of the standards of the standard for the manufacture of motorcycles.

Riegle voted "yea."
