

McDevitt installed as physician's leader

Frank J. McDevitt, D.O., first vice president of the Michigan Physicians Mutual Liability Company (MPMLC), was inaugurated as president of the American Osteopathic Association (AOA) on July 21. He was chosen as president-elect last July by the AOA

house of delegates in recognition of his many years of service to the osteopathic profession. Dr. McDevitt, a Farmington Hills resident, has been a member of the AOA Board of Trustees since 1972. He is past president of the Michigan Osteo-

pathic College Foundation and has been a member of the board of directors since 1969. He is also chairman of the Kellogg Foundation-funded committee to study graduate osteopathic medical education.

From 1968-1969, he was president of the Wayne County Osteopathic Association. He has served on the board of directors of Botsford General Hospital since 1971, and was president of the Michigan Association of Osteopathic Physicians & Surgeons (MAOP&S) from 1970-1971. He was selected as "General Practitioner of the Year" in 1978 by the American College of General Practitioners in Osteopathic Medicine and Surgery (ACGPOMS).

Dr. McDevitt, a Livonia general practitioner, was graduated from the Chicago College of Osteopathic Medicine in 1955, established a family practice in Livonia in 1956, and was certified in general practice in 1971. He has been on the MPMLC Board since 1977, and serves on the executive, underwriting, and finance and investment committees.

His practice is located at 27513 Grand River Avenue, Livonia.

Frank J. McDevitt president of AOA

Engineer named to state board

Takayuki Maeda has been named to the State Board of Professional Engineers, representing licensed engineers.

Appointed by Gov. Milliken, his term expires in March 1982.

Maeda, of Farmington Hills, is vice president of design for Giffels Associates, Inc., in Southfield. He joined Giffels in 1954 as a mechanical group leader, became project executive, promoted to director of mechanical engineering and was appointed to his present position in 1979.
