

INSIDE ANGLES

TILLIE SEWELL is boning up on her high school German in preparation for a trip to Frankfurt, Germany, in September. The Farmington Hills woman won the trip which was grand prize in a raffle sponsored by the Central Business District Association of Detroit. The drawing was part of the International Ethnic Festival Fourth of July weekend.

Coincidentally, Ms. Sewell was born in Germany (Augsburg, near Munich) but moved to America at age 7. She hasn't been back since. She will leave Sept. 12 for the two-week trip. Airfare for two, a rented car for two weeks, one night's lodging and \$1,000 spending money are included in the prize. Ruth Mackey is the lucky friend Ms. Sewell has chosen to accompany her on the trip.

OFF ON ANOTHER trip of sorts was the hot air balloon Denise Kudej, 6, launched during Kids' Day festivities in Farmington City Park last Tuesday. Children participating in the event wrote their name and address on a card inserted into balloons filled with helium, which were launched simultaneously at 11 a.m. On Thursday, Denise received a letter from Bob and Linda Pitchford of Marion, Ohio. Seems the couple were camping on the Marblehead Peninsula, Ohio, Tuesday afternoon when they watched a balloon wash ashore on three to five-foot waves. The balloon was retrieved by John Reed, 14. The card inside listed Denise's name

and address, and the Pitchfords sent it back to her along with their letter. It took the balloon six hours to reach its destination.

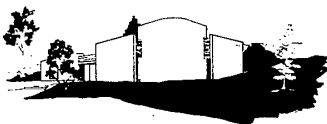

SUMMERTIME READERS, take note: there's been a change in library hours. The Farmington Community Library's (32737 W. 12 Mile) new summer hours beginning Aug. 3 are: Monday through Thursday 10 a.m. to 9 p.m. and Friday 10 a.m. to 5 p.m. Winter hours begin Sept. 8 as follows: Monday to Thursday 10 a.m. to 9 p.m., Friday and Saturday 10 a.m. to 5 p.m. During summer, the library is closed on Saturdays.

A BRIDGE SALUTE to Ruth Wagner of Farmington, who has attained life master rank, highest award acknowledged by the American Contract Bridge League. The award has been won by only 32,000 among the millions who play bridge. The rank was established in 1935. Life master rank is awarded to players who accumulate 300 master point awards for success in bridge play, with at least 50 won in demanding regional or continental ranked championship competitions. The number of points awarded winners is related to the size and caliber of the competitive field. Each new life master is presented with a gold card to symbolize the highest rank recognized by the league, the organization which establishes rules of play and ethical standards for bridge, and sponsors tournaments and club play throughout North America.

AN ANGLES SALUT to all the fine folks — entertainers, merchants, and the people who participated in making the 17th annual Founders Festival a hit.

JOB HUNTING? Make the sky the limit. Air Force recruiters are seeking the largest number of applicants for pilot and navigator training since the beginning of the all-volunteer force in 1973. More than 1,500 pilot and 800 navigator candidates will be selected for officer training in 1982. College students within nine months of graduating or recent graduates are encouraged to apply. Pilot applicants without private pilot's licenses attend a three-week flight screening program designed to acquaint them with fundamentals of flying. For more information, call toll-free 1-800-523-5000.

THE GOOD AND THE BAD news about deer: The northern Michigan herds are very large now. That's good news for deer hunters and northern Michigan merchants, but bad news for farmers suffering crop damage by deer or motorists playing dodge 'em with a deer on the highway. Glenn Duderar, extension wildlife specialist at Michigan State University, says the Michigan Department of Natural Resources will liberalize the hunting season this fall to stabilize the population.
