HOW TO DO A LITTLE BUSINESS ON YOUR OWN...

Holding a garage sale is a fun way to do a little business on your own . . . but it takes a bit of planning. Like you'll want to decide what to sell and how much to charge for each item . . . and then you'll need price tags so other people will know what you're charging. And you'll have to be able to make change for all your customers . . . so that means you should have lots of one dollar bills and an assortment of coins. Then you'll want to advertise your sale to that crowd. You can do it with a sign or your neighborhood . . . but you'll want a crowd than that . . . so you'll run an ad in a paper which tells the time and place of your sale to a host of potential buyers.
