

# OCC faculty has contract

Monday, September 7, 1981 (OJ5A)

Oakland Community College's 300 faculty members started classes last week after giving 150-80 ratification support Wednesday to a new two-year contract.

Board of trustees approval is expected after Sept. 17 meeting.

"We spread the salary improvements differently," said Allen Bogucki, a Highland Lakes campus instructor and spokesman for the OCC Faculty Forum, adding the new pact is "good but not great."

INSTRUCTORS at the top of the 20-step scale received 5 percent increases the first year, and those at the bottom received 14 percent.

Lower-rung instructors will receive increases of \$2,520 the first year and \$2,200 to \$2,500 the second. Those at the top will receive \$1,700 the first year and \$1,800 the second, Bogucki said.

The new contract, he added, provides a method whereby instructors may move more quickly up the 20-step

scale. Step advancements are not automatic at the college as they are in most K-12 contracts.

College spokesman Betty Setz said first-step persons will receive \$19,455 this year and \$21,035 the second. 20th-step persons will receive \$35,856 this year and \$37,686 next year.

Faculty salaries last school year cost the college \$8.05 million. That will rise to \$8.77 million this year and to \$9.52 million next year.

Counting some efficiencies, the net increase to the college will be 7.5 percent this year and 8.5 percent next year, Dr. Setz said.

## Victims of layoff get help

Oakland County, in conjunction with Career Growth and Research Center Inc., will offer a job club in Pontiac for Oakland County residents starting Sept. 8.

Those who have been laid off in the past six months or are facing possible layoff can register and/or obtain information by calling Yvonne Thorpe at 858-5426, an Oakland County Career Growth and Research Center counselor.

Job Club offers clients an abundance of career skills. Training includes a lengthy comprehensive intake interview followed by ability and skill assessments and an interpretive interview in which a specific approach is developed for each person's situation. Job Club also makes use of a computer to assist clients to zero in on jobs that fit their abilities, interest and aptitudes.

Job Club is a free 10-day program conducted at All Saints Episcopal Church on Pike and Williams. The session will last 10 days and will run from 9 a.m. to 5 p.m.

## College classes explain how to build your own house

A series of classes will be offered at both Schoolcraft and Oakland community colleges starting this week on building your own house.

The eight-week classes cost \$275 a person, \$400 a couple. Senior citizens and those who pre-pay at least four days before classes begin get a \$25 discount.

The classes will be taught by the Michigan Owner-Builder Center. The Schoolcraft courses will be eight Saturdays from 9 a.m. to 4 p.m. Sept. 12 to Nov. 7 on the Livonia campus.

OCC will offer the courses on its Auburn Hills campus. Scheduled are two sessions — 7-10 p.m. Tuesday and Thursday Sept. 8 to Oct. 29, and 7-10 p.m. Monday and Wednesday Nov. 2 to Dec. 23.

Depending on how much work you do yourself, building your own house can save you 20-50 percent, according to center director G. Kenneth Orley.

To register or get more information, phone the center at 373-1526.
