AHF Stop Smoking System

It doesn't matter how many previous attempts
you've made at quitting, this time you will stop
smoking for good. Through the AHF STOP
SMOKING SYSTEM your desire for nicotine will
be neutralized... calmly, comfortably and quickly.
The method is based on the most advanced scientific
research and has proved to be successful even
with the most hard-core smokers.

Because of its high success rate, the STOP
SMOKING SYSTEM is part of a U.S. government
heart attack prevention program. It has also been
featured on many television shows including "Good
Morning America" and a 5 part news series entitled
"7 Quits".
So come to a free introductory meeting. You have
nothing to lose, but your habit!

25%

**ANNUAL INTEREST RATE
UNTIL OCTOBER 1, 1981**

Capitol Savings & Loan will pay you an annual rate of 25% on a minimum
investment of \$1,000 from now until October 1, 1981.

This high rate is made possible through what is known as a retail repurchase
agreement, or REPO, for short. Your investment in a REPO at Capitol
Savings is backed by securities or mortgage loans issued, insured, or
guaranteed by the United States government or a government agency.

This obligation will automatically mature on October 1, 1981 and cannot be
extended or renewed.

*This obligation is not a savings account or deposit and is not insured by the Federal Savings and Loan
Insurance Corporation. The investment is limited to individuals and is available to Michigan residents only.
The maximum investment is \$50,000. A \$25.00 service fee will be collected for redemption prior to October 1,
1981. Details are available only in the offering memorandum which is available at any branch office. A
non-certificated savings account (N.C.S.A.) or savings must be maintained in equal or greater amount and may
be withdrawn without prior notice.
