Every project by **markcrafts associates, inc.** is designed to meet the unique needs of the homeowner, reflecting the particular character of the home, and utilizing the finest materials suited for the project. Whether you have a new building site or you are considering renewing an older, established home, home, please consider calling us for a free on-site evaluation... **Markcrafts associates, inc.**

custom wood decks

structures & shelters

hot tubs • gazebos

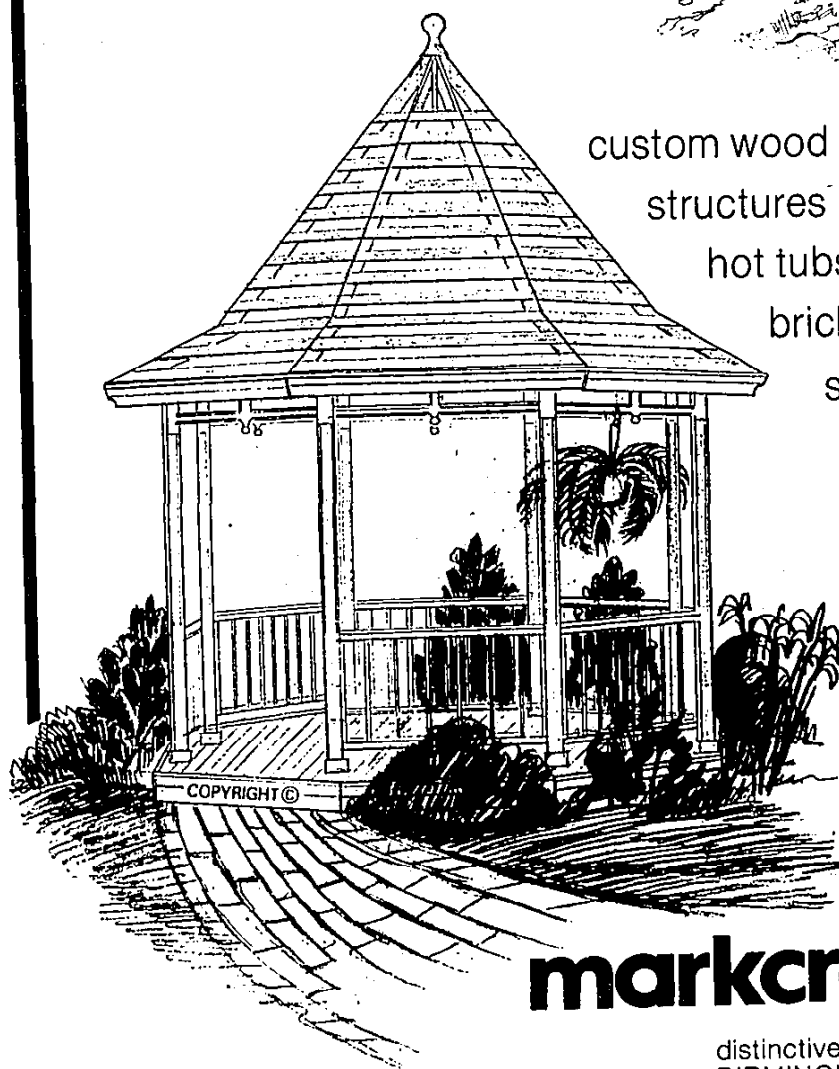

brick & flagstone patios

screened porches • sunrooms

Whatever we design and build, from the simplest patio deck through the ornate gazebo or contemporary porch enclosure, we take great pride in our craftsmanship from design through construction. We believe that any remodeling work you have contracted for your home becomes part of your home investment, and we see to it that every dollar you invest with us is directly reflected in the product you have paid for. Price is not our bottom line...Quality is.
