

Taste Marvel!

Latest research confirms MERIT delivers the taste of cigarettes having up to twice the tar.

Many low tar cigarettes make taste promises. But only 'Enriched Flavor' MERIT offers *proof* not promises. Proof through extensive smoker taste tests.

MERIT Taste Does It.

In impartial new tests where brand identity was concealed, the *overwhelming* majority of smokers reported MERIT taste equal to—or better than—leading higher tar brands. Even brands with up to twice the tar.

Moreover, when tar levels were revealed, 2 out of 3 chose the MERIT combination of low tar and good taste.

MERIT Taste Sparks Switch.

In a separate part of this extensive new study, MERIT smokers report that taste is a major factor in completing their successful switch from higher tar brands.

Confirmed: 9 out of 10 former higher tar smokers say MERIT is an *easy switch*, that they *didn't give up taste in switching*, and that MERIT is the *best-tasting low tar they've ever tried*.

Year after year, in study after study, MERIT remains unbeaten. The proven taste alternative to higher tar smoking—is MERIT.
