Our wine shops are different. There are no high pressure salesmen or other such methods used. Just shop as you like. It's quiet - a "real wine" atmosphere. If you need our help, we just explain our wines and extend to you a little extra service to help you learn about wines; how to enjoy them more, which to serve with different foods, and how to get the most value for your dollar. The Bottle & Basket Shops are not highly commercialized, but just good down-to-earth wine shops with friendly service and hundreds of fine American wines and fine imported wines from all over the world from which to select. Please visit our shops.

JORDAN WINERY**
1978 Cabernet Sauvignon
(Estate Bottled)
92% varietal, 7 1/4% Merlot; 13.8% alcohol (Label indicates 12.8%); .04% residual sugar; total acid .60; pH 3.5; 45,000 cases bottled 6/80-8/80; released 4/1/82. Tasted 3/22: Light-medium red; brilliant. The nose is clean and contains medium-intense straightforward fruity varietal aromas with considerable bell peppers and light oak. Flavors on the palate are the same, with light-medium intensity. There is a very slight perception of sweetness; acid is adequate. The wine has light-medium tannins, medium body and moderate richness; there is no alcohol heat. The finish is medium length, fruity and relatively smooth. The wine is very drinkable now and may gain modest complexity over the next 3 years. Score: 7.
