mileage improvement our cars have achieved in the last eight years.

### Great looks.

Aerodynamically designed cars look terrific. Sleek, sophisticated and elegant.

Corners are rounded, surfaces are smooth, trim is minimized. Great mileage married to great appearance.

### A new kind of excellence.

We believe that GM stands for something special in the eyes of the American public.

It stands for excellence. And continuing excellence. So that now, next year, and the years after that, we need always to be:
