

# Puzzled By These? Note Date

By Elly

Since they will probably be of no use to anyone but are just for fun, April 1 seemed to be just the right day to share them with you:

## QUEEN'S DROPS

8 ozs. butter  
8 ozs. sugar  
4 eggs  
10 ozs. flour  
6 ozs. currants

Some add a little volt, but if well creamed there is no use for volt. Cream the butter and sugar together, add the eggs, then flour and currants; have ready a linen bag with a small tin funnel at the end of it; have a small cork in the funnel so as to keep the mixture from dropping out, drop them on a paper about the breadth of a shilling, put them on tins, and bake in a sand oven.

## PREMIUM DROPS

1 lb. butter  
1 lb. sugar  
9 eggs  
1 lb. rice flour  
1/4 oz. volt  
1 lb. flour  
4 drops essence of lemon

Proceed the same as for Queen's Drops. The batter, however, will be found a good deal stiffer. This makes a nice drop when well got up.

## PLUM CAKE

(As made for the best shops in Edinburgh)

3 lbs. of butter, 3 lbs. of sugar, 4 1/2 lbs. of flour, 40 eggs, 8 or 10 lbs. of currants, 2 lbs. of peel, a few drops of essence of lemon. Cream and finish as before directed.

## DUNDEE CAKE

1 lb. of butter, 1 1/2 lb. of sugar, 13 eggs, 1 1/2 lb. of flour, 2 lbs. of peel cut in small squares. After it is creamed up and ready, entirely cover the top with small comfits. Bake in moderate oven. Do not cream it so light as for other cakes so as to keep the comfits from sinking in the cake.

## BLACK CURRANT JELLY

Pick black currants from the stalks as well and in as short a time as you can, then put them into strong earthen jars or stew pots, cover them well over and set them in a slow oven for one night; next morning put them into the jellybag, and as soon as drained, which will be in three or four hours, measure the juice. To each pint of juice take 1 lb. 4 ozs. of sifted loaf sugar, boil and skim it as before. You may if you think proper clarify the sugar, but this is a much easier way.

## QUEEN'S GINGERBREAD

Take 2 lbs. of honey, 1 1/2 lb. of best moist sugar, and 3 lbs. of flour, 1/2 lb. of sweet almonds blanched, and 1/2 lb. of preserved orange peel cut into thin fillets, the yellow rinds of two lemons, grated off, 1 oz. of cinnamon, 1/2 oz. of cloves, mace and cardamom: mixed and powdered.

Put the honey in a pan over the fire with a wineglassful of water, and make it quite hot, mix the other ingredients and the flour together, make a bay pour in the honey, and mix all well together. Let it stand till next day, make it into cakes, and bake it. Rub a little clarified sugar until it will blow in bubbles through a skimmer, and with a pastebrush rub over the gingerbread when baked.

## THESE RECIPES all came from "The Bread & Biscuit Baker's and Sugar Boller's Assistant"

The book is 80 years old and belongs to Mrs. Alfred Daly of Plymouth.

## Spice Cabinet

## FLORIDA SWEET CORN RELISH

1 tablespoon powdered mustard  
6 ears fresh corn  
4 cups chopped cabbage  
2 cups chopped green peppers  
2 cups chopped onion  
1 1/2 cups cider vinegar  
1/4 cup sugar  
2 1/2 teaspoons salt  
1/2 teaspoon celery seed  
1/4 teaspoon ground turmeric  
1/4 teaspoon cayenne  
Mix powdered mustard with 1 tablespoon warm water; let stand 10 minutes for flavor to develop. Cut corn kernels off cob (makes 4 cups). Combine corn with remaining vegetables; set aside. In a large saucepan mix mustard with vinegar, sugar, salt, celery seed, turmeric and cayenne. Bring to boiling point and add vegetables. Reduce heat and simmer 30 minutes, stirring occasionally. Spoon into hot, sterile jars, seal at once.
