Farmington mayor endorses Headlee

Alton L. Bennett, mayor of Farmington, has endorsed Republican Richard Headlee for governor.
Bennett, who is principal of Farmington's East Middle School, said he favors Headlee because he likes Headlee's stand on financial responsibility.
"Headlee is by far the most qualified candidate running for Governor," explained Bennett. "But besides that, I especially like his stand on financial responsibility. It's the most critical issue today. It's really incredible what they're doing in Lansing. For five years they operate in the red and then raise taxes."
Bennett was referring to the recent 22 percent state income tax increase that was supported by Lt. Gov. James Brickley, a rival Republican candidate for Governor.
Bennett is also a member of the board of elders and deacons of the Ward Presbyterian Church in Livonia. Headlee, 52, is president and chief executive officer of Alexander Hamilton Insurance based in Farmington, Hills.
