VAN DYKE'S OF HONDA 977-1000

This is how much car you should expect for \$14,000 today.

From the second-largest carmaker in Europe comes the Peugeot 505S. So high is its quality—and so well is it equipped—that some observers think it may well be undervalued in today's market. The \$13,990* price of the Peugeot 505S includes factory-installed air conditioning; fuel-injected gasoline engine; electric windows; electric sunroof; power controls; digital

AM/FM 40-watt stereo radio with cassette player, scan tuning, and four speakers; central door locking; and Michelin steel-belted radial tires.

The only extra-cost option is a 3-speed automatic transmission (\$370 overdrive gearbox, and metallic paint (\$295).

Also available: diesel and turbocharged-diesel models, priced from \$16,175 to \$10,990.

*MSRP. Excludes taxes, license, and destination charge.
