

Next to jack-o'-lanterns, the most common use of pumpkin is probably in pumpkin pie. However, there are other equally delicious uses for this plump, golden fall fruit. One of the best is pumpkin spice cheesecake. This creamy, lightly spiced concoction of cream cheese and pumpkin is baked in a gingersnap crust laced with just a hint of orange. Bake and refrigerate pumpkin spice cheesecake a day or so ahead of time and your dessert will be ready for any fall fete.

Pumpkin cheesecake can spice up fall

Ginger Snap Crust (recipe follows)
 3 pkgs. (8 oz. each) cream cheese, softened
 ¼ cup granulated sugar
 ¼ cup firmly packed brown sugar
 2 tsp. pumpkin pie spice
 2 tsp. vanilla
 6 eggs
 1 can (16 oz.) pumpkin or 2 cups mashed cooked fresh pumpkin
 Orange peel spiral, optional

Prepare Ginger Snap Crust. Chill. In large mixing bowl, beat together cream cheese, sugars, spice and vanilla at high speed until fluffy. Add eggs, one at a time, beating well after each addition. Beat in pumpkin until blended. Pour into chilled crust. Bake in preheated 350-degree oven until knife inserted near center comes out clean, about 1 hour, 15 minutes. Turn off oven. Allow cheesecake to cool in oven with door ajar 30 minutes. Continue to cool on wire rack. Refrigerate until firm, at least 8 hours or overnight. To serve, remove rim of pan and cut into wedges. Garnish with orange peel spiral, if desired. Serves 10 to 12.

GINGER SNAP CRUST
 1 egg
 1 tbsp. butter, melted
 2 cups crushed ginger snaps (about 30 to 35 2-inch cookies)
 1 tbsp. grated orange peel

Beat together egg and butter until well blended. Stir in crushed ginger snaps and orange peel until thoroughly combined. Press firmly onto bottom and up sides of lightly greased 9-inch springform pan.

Microwave is 1st-rate pork cooker

Microwave preparation is especially successful for some foods — processed meats among them. If you own a microwave oven, no doubt you're familiar with the magic of microwaves for bacon, ham and many sausages, including the popular hot dog. But how about smoked pork chops? Have you sampled this less familiar meat cut? If not, put smoked pork chops on the market list the next time you want to serve something special.

Both rib and loin smoked chops, cut from the pork loin section, are available. You'll note that especially choice, lean loins are selected for smoking. Although possessing a distinctive deliciousness of their own, smoked chops are somewhat similar in flavor to both ham and Canadian bacon, a boneless smoked cut from the loin.

Smoked chops take well to microwave preparation. The chops require minimal cooking time, the exact time depending upon the thickness of the chops, the number cooked, the amount of other food cooked with the chops and the wattage of the microwave oven used.

Because of the differences in microwave ovens and in the size of chops, exact cooking times cannot be given. However, consider the following times as a guide.

Ty rib or loin smoked pork chops: cut 1 inch thick, 7 to 8 minutes; cut ¾ inch thick, 5½ to 6½ minutes; cut ½ inch thick, 3 to 3½ minutes; four rib or loin smoked pork chops: cut 1 inch thick, 12 to 13 minutes; cut ¾ inch thick, 8½ to 10 minutes; cut ½ inch thick, 5 to 5½ minutes.

Although the appearance of the chops after microwaving was good, they were even more attractive when glazed during cooking, as in the following recipe for Plum-Glazed Smoked Pork Chops. The variety of foods to provide a number of appetizing entrees. For starters, try Aloha Smoked Pork Chops and Smoked Pork Chops with Hot Cabbage Slaw.

PLUM-GLAZED SMOKED PORK CHOPS
 4 smoked pork chops, cut 1 inch thick
 ¼ cup plum preserves
 ¼ tsp. prepared mustard
 ¼ tsp. ground ginger

Combine preserves, mustard and ginger in 1-cup glass measure. Microwave at high 1 minute. Place chops in 11½ x 7½-inch microwave-safe dish; brush with half of glaze. Microwave at high 6 minutes. Turn chops over and brush with remaining glaze. Rotate dish ¼ turn. Microwave at high 6 minutes. 4 servings.
