LIVONIA VW-MAZDA
34501 PLYMOUTH RD. (Betw. Wayne & Farmington)

There is a car whose engine can be compared with only one other car...which costs almost twice as much

Peugeot believes that a turbocharged-diesel engine must be built from the ground up to be a *true* diesel...not merely a gasoline engine converted to diesel use. Peugeot shares this philosophy with Mercedes-Benz.

Come in and see the cars of Peugeot...cars which some observers think are undervalued in today's market.
