## 'Alas For My Woods'--Highway Dept. Wants It

EDITOR I was delighted to read Mrs. Robert King's letter about "the beautiful beech-maple forest directly east of Schoolcraft) college." It has been our privilege to live just north of that "forest" for over I years. Through these many years, I have developed a proprietary interest in "my woods."

I'm not saying everything in America is right, but, I am saying, if you want your country to work, you have to work and honor your country.
