Folks, I have specialized in Shade Trees and have applied thousands of street plantings, industrial, schools, churches and residential. Glacier birch combines with the aristocratic charm of White Birch. One of the first trees to announce spring is on the way. And... the snow white bark makes this a rare beauty in a dreary winter landscape.

**Band Garb OK'd For Churchill**

Band uniforms which "look like the changing of the guard at Ottawa" were approved for the Churchill High School by the Board of Education Monday.

More than \$8,000 of the \$9,300 was raised by Churchill students and parents by a candy sale.

The scarlet and white uniforms with their high hats were likened to the military guard at the Canadian capital by Business Administrator William Bedell.

**Onion Sizes Serve Purpose**

Small onions are best for boiling whole, stewing or creaming. Medium ones for serving stuffed and larger ones for thick slices to top off hamburgers and for fried onion rings.

All sizes of onions are equally good for grating, chopping, slicing or stringing.
