JUDGE NELSON FOR DISTRICT COURT

EDUCATION. Robert H. Nelson earned a bachelor's degree (magna cum laude) at the University of Detroit, a law degree at Harvard Law School and a master's degree at Harvard Business School.

EXPERIENCE. For the past thirteen years he has practiced law in Oakland and Wayne counties, his office being located in Westbrooke Centre in Farmington Township. Judge Nelson began his judicial duties when he took office as township justice on July 4, 1959, and he has held this judicial office ever since, running for re-election in 1963.

Earlier in his life Judge Nelson was an Eagle Scout, an Assistant Scoutmaster, a naval officer who landed in Normandy on D-Day and a Certified Public Accountant in the Detroit office of Peat, Marwick, Mitchell & Co. He is still a C.P.A., although inactive.

ACTIVITIES. Judge Nelson is a member of the American Judiciary Society (organized to promote the efficient administration of justice), a member of the Michigan and Oakland County bars and has been admitted to practice before the Supreme Court of the United States.

He has been a member of various professional committees and has had two professional papers published in national journals, one of which was republished in a book put out by McGraw-Hill.

Judge Nelson is a member of the Northwest Traffic Safety Committee (serving southeast Oakland County, including Greater Farmington). He served on the Greater Farmington Youth Guidance Committee (1959-1964).

Besides working in the Normandy Hills Ass'n, the Kendallwood Ass'n and the former Farmington Twp. Civic Ass'n, he served as the secretary, and then as the president, of the former Farmington Twp. League of Sub-division Associations. He assisted in the organization of the Briar Hill Ass'n, the Franklin Forest & Fairway Ass'n, the Holly Hill Farms Ass'n, the Orchard Meadows Ass'n and the Westbrooke Manor Ass'n.

Starting in 1964 Judge Nelson has been active in efforts to encourage and restore the celebration of the Fourth of July, in order to help younger generations achieve a better appreciation of our Amer. an heritage. The Kendallwood I and Colony "ark committee" is very pleased that for their celebration this year he received an acceptance, as Fourth-of-July orator, from the senior United States Senator from Michigan. Last year's was the Congressman from Michigan's 19th District, and an Oakland County Circuit Judge before that, so there's been high high up as well as from many local people.

FAMILY. Judge Nelson's family consists of his wife, Sib (for Sylvia, somehow), and their 12-year-old daughter, Ingrid.

Farmington's present lower-court system of justice and municipal courts is being altered next January into a lower-court system which was rushed into law at the last minute but which nevertheless will be a great improvement, especially for ordinary citizens before the court, that is, if certain aspects can be ironed out and it can be made to work. Judge Nelson, with his qualifications, feels this can be done, so if you want to keep him on the job, look for
