VINCE AND MARY Catherine Ferris belong to the Nomad Group, which has a large commercial plane which schedules interesting trips.

Last Thursday it flew them to Fort Lauderdale, where they rented cars and drove down the Keys for some deep sea fishing.

MARIAN LAM drove to North Dakota in March, staying there with her brother who lives near Fargo.

Conrad Lam then flew to Minneapolis to meet her, as there were two cars to drive home.

her mother's car back here for Doug. They got back from this trip Friday noon and left the following day for the Green River in West Virginia for a meeting of the American Surgical Association and some golf.

The drive to and from Green River was particularly beautiful, as the early spring blooms were out - dogwood, red bud, etc.

They got back from this jump April 26. Thursday night Doug appeared at the door to get his grandmother's car which he drove back to Duke University.

Many of us remember the Davises and will be interested to know that young Jim is graduating from Brigham Young University in Salt Lake City, school of engineering April 26 and will be married the next day to a lovely Mormon girl he met at the university.

Now back to the Switts, who continued south from Tryon to Sarasota where they visited a cousin, to Naples, where they went to dinner at a restaurant and behold, there too were their next door neighbors of Huntington Woods days whom they hadn't seen for 11 years.

From Sarasota they went across to the east coast where they saw the Gardens and the Taylors before going to West Palm Beach to visit friends.

They got back home last Sunday afternoon.

accommodations on Hyde Park and Kensington Gardens.

BOB AND GINNY Swift are back from a very delightful vacation trip south. They left here April 17 and stopped for dinner in Knoxville, Tenn., with our former neighbors, the Tenneys.

Then on to Tryon, which is fast becoming a second Wood Creek. They saw the Nelsons, the Davises, the Weavers, the Billus and the Beckers.

Pretty Up Alameda

The PTA, Girl Scouts, Brownies, and Safety Boys are planning to "Bring Spring" to Alameda School.

Last Saturday the Girl Scouts planted five sycamores and six maples on the school property. The Brownies are

planting marigold beds. The PTA has planned an oblong planting between the school and the drive along the multipurpose kitchen area.

Alameda boys and their fathers will do the planting on May 2 between 1 p.m. and 3 p.m. Everyone is trying to do his part in helping to keep the school grounds looking nice.
