

Mexican wedding dresses

The long and the short of the Mexican wedding dress were discovered by Clara Magill and Janet Coogan (at right), available at most Winkelman stores. Kathy Lanish (below) chooses the skimp. The long sweatshirt is versatile, wearable over trousers for another look, also available at most Winkelmans.

CANCER. NOT KNOWING THE RISKS IS YOUR GREATEST RISK.

A lot of people think cancer is unbeatable.

That simply isn't true. In fact, over two million people have had cancer and survived to lead happy, normal lives.

And not only can cancer be beaten, it can also be prevented.

There are definite precautions that have been proven to decrease your risk of getting certain cancers.

Talk with your physician about how often you need cancer-related checkups.

Ask your local American Cancer Society to send you a free booklet about cancer risks.

Learn the facts about cancer. And make not knowing the risks, one less risk.
