

Always suitable for the occasion

THE LOOK is man about town. Look for the continuation of the menswear mood in roomy top coats, jackets and suits in haberdashery fabrics such as tweed, covert and gabardine, the hot item that was overdue for a rebirth.

Note the new skinny skirts, with everything interpreted in menswear fabrics. The colors are gray, navy, black and brown.

THE COAT DRESS, it's the season's big newsmaker, a super candidate for any woman's working wardrobe. A great

alternative to the business suit, coat dressing is the single most exciting new development of the season.

jackets and necklines. The word is structured. Quality counts in fabric, finish and final appearance.

Bold, asymmetric details also make an important fashion statement for fall. They go on the job, on the town in bilevel waistbands, off center button

Whether it's the coatdress, the great coat, tweed jacket or pant pairings, top off your look with a fedora or helmet borrowed from the boys.
