

Restaurateur Bob Machus and his wife, Nina, believe that winter is too long and life too short to go without a fur. They are ready for a stroll into fall in a coyote parka for him, \$4,750, and again in full length for her, \$6,250, by Revillon, Saks Fifth Avenue.

Fur toppers and jackets are important coverups for the many looks of fall this year. Susan Rosen wears a gray and white fox jacket which will adapt beautifully with season's rekindled interest in the trouser and pencil-slim skirts. Bricker-Tunis Furs.
