At WESTDALE... it's a Family Affair

We like to think of ourselves as a family of over 300 professional sales people working together to better serve our clients. We consider ourselves unique in that we are the only company of its kind with Branch Operations throughout Michigan's major cities.

Wouldn't it be nice to conduct your Real Estate business with the same company whether you are buying or selling...one which exercises the highest professional standards and most complete service, which has made them one of the most respected names in Real Estate.

After all you can't become one of the nation's largest and most successful Realtors in just 12 years without a little hard work.
