

No quarrel with Quarles

Continued from Page 3

The next obstacle was the soccer coach, Harry Swyston. Would he mind if Quarles played both football and soccer?

"If he can contribute to both, then that's great," Swyston said. But, he added, if Quarles' performance on the soccer field becomes lax, he may ask him to make a decision: either play football or soccer, not both.

"He's not been cutting away from any practices so far. But, it's too ear-

ly to tell if he can handle both. As far as soccer techniques or mechanics go, there's not much difference. The difference is mental. Will he be able to concentrate on soccer, or will he be thinking about the football game," Swyston said.

Quarles says he can handle both.

"THERE'S BEEN no problems so far," Quarles said after the Wallied Lake Western game Saturday. "The football is shaped differently, obviously, and there's a different sweet-spot. But, other than that, it's not

much different. I just pretend I'm on a soccer field."

Herrington doesn't anticipate any problems, either.

"It's such a limited thing. He's only going to be kicking, so his concentration. If anything, should be better," he said.

He missed on his first kick, a 20-yard field goal try in the first quarter. After that, he was perfect. He drilled five extra points and was successful on a 35-yard field goal in the second quarter.
