

Christus Gardens
The Christus Gardens nativity scene at Gatlinburg, Tenn., is thought to have been viewed by more people than any other scene of its kind in the world. One of a series of lifesize, three-dimensional scenes from the life of Christ on display year-round, it includes the figures of Mary and Joseph at the manger, the three Wise Men and four shepherds. The figures are clothed in fabric imported from the land where each biblical character lived. The sheep were furnished by a taxidermist.
