

MADD sets vigil of remembrance

National Drunk and Drugged Driver Awareness Week" will be observed Dec. 11-17.

Members of Mothers Against Drunk Drivers (MADD), who staged a candle vigil last year in memory of those

who were killed or crippled by drunk drivers, will repeat the ceremony at 8 p.m. Monday, Dec. 12.

The vigil planned by members of the Oakland County Chapter of MADD will be staged in the Oakland County com-

plex, 1200 Telegraph Road in Pontiac. Similar vigils will be held by sister chapters across the U.S. and in Canada at the same time.

The names of those who have died

because of intoxicated drivers during 1983 will be read and a candle will be lit in their memory. Persons wishing the name of someone read are invited to add that name to the list by calling Peggy Ellen, 866-1585.

Cranbrook appoints horticulturalist

Ralph L. Mize recently was appointed horticulturalist/landscape architect Cranbrook Institute of Science.

In his newly created position, Mize will focus his attention on Cranbrook Institute of Science and the Schjolin Endowment Garden.

Plans include a long-range horticultural and botanical program for the entire Cranbrook Educational Community. In addition, he will concentrate on improving vehicular and pedestrian traffic patterns and reopening vistas.

Major funding for the project has been provided by a grant from the Americana Foundation. Mize was selected for the position as the result of a nationwide search.

A native of San Francisco, he completed his undergraduate work in landscape architecture at Utah State University. He worked as a city parks planner and landscape designer before attending Washington State University, where he earned his master's in horticulture.

At Cranbrook, he hopes to escalate the community to horticultural landmark status, enjoying the same prestige as its educational and architectural facets.

"We are delighted to have found an individual with Mize's experience and educational background," said Dr. Dennis M. Wint, director of Cranbrook Institute of Science.

The Institute, 500 Lone Pine, is open 10 a.m. to 5 p.m. weekdays, 7-10 p.m. Friday evenings, 10 a.m. to 10 p.m. Saturdays and 1-5 p.m. Sundays.

Pageant calls entrants

The Miss Michigan American Co-ed pageant will be staged May 11-13 in the Plymouth Hilton Inn. The pageant open to girls between the ages of 13 and 18 who are active in their school community and have a good grade average.

Contestants will be judged on poise, personality, stage appearance and a personal interview.

Application forms and pageant information may be obtained by writing to Miss American Co-ed Pageant, 3555 Brookshire Drive, Pensacola, Fla. 32503. A self-addressed envelope must be enclosed.
