**Steel of the Finest, Bright and Blue**

We buy our axes, hatchets, hammers, etc. from manu-
facturers who have built a world-wide reputation for their
product by making honest goods.

Don't try to save 10 or 20 cents on an
axe, a hatchet or a hammer, but when you buy
consider QUALITY.

We don't make much on this kind of merchandise, but
you can bank on it that the steel in these tools is the right stuff,
and the helves are of the best thoroughly seasoned wood obtain-
able, and they are beautifully fashioned.

HOUSEWORK MADE EASY

Housekeeping in these modern times need no longer
use up the time and strength, or shorten the life,
of the housewife.

Electricity performs the heavy household tasks
with ease and speed. Washing, ironing, sweeping,
are all done quickly and cheaply. Ample time is
found for rest and recreation. Housework becomes
a short and pleasant exercise, rather than a labor-
ious and strength-destroying work.

If you lack any of these efficient electrical servants
come in and let us explain how easily and cheaply
you can procure their services.
