CHAPTER I-Continued.

CHAPTER! L-Continued.

She atepped closer and he put his arm around her and kissed her his. Been around her and kissed her his her around her as stream and you had her as streed promise. You are a gettleman and you will not kiss me or speak and the high and her as streed promise. You are a gettleman and you will not kiss me or speak with my father, it is the custom of our country. But I want you to know that I am very happy."

"I don't know how I dared, to say and do what I did, but I couldn't help it."

"I couldn't help it either. I just longed to know I you dared."

"The rest will be in the future—per hiss far, in the future."

"The rest will be in the future—per hiss far, in the future."

"The rest will we in the future—per hiss far, in the future."

"To only it you can be not in the future—per hiss far, in the future."

"The rest will we have the house and as long as I have to."

Mrs. Hare, wilking down the trail to meet them, had come near. Their journey out of the wilderness had enided, but for each a new life had begun. The husband and father of the two ladies had reached the fort only an, hour or so hand of the mounted party and preparations were being made for an expedition to cut off the retreat of this friends in America only as Col. Benjamin Hare—a royal commended for an expedition to cut off the retreat of his friends in America only as Col. Benjamin Hare—a royal commended for a colonel of the King's guard. There is an old letter, of John Irons wilch says that he was a splendid figure of a man, tall and well proportioned and about forty, with dark eyes, his hair and mustache just beginning to show gratting." he said to Mr. Irons."

north of Horse valley arrived next day, with the captured Indians; who, under a military guard, were sent on a to the Great Father at Johnsor (castle, Colonel Hare was as apinshed that nelither Solomon Binkus nor John Iroush nor his son, would accept any gift for the great service they had done him.

"I lowe you more than I can ever pay," he said to the faithful Binkus, "Monly would not the good enough for your event," and the said to the faithful Binkus, "Monly would not the good enough for your event," and the said to the great service they had done him.

"I low your more than I can ever pay," he said to the faithful Binkus, "Monly would not the good enough for your event," "Them, your two has low vine; "Them your use has growed kind o' loveleck an I wouldn't wonder. I don't lake any one thing." Don't make no mittake bout this 'ere boy, In the bush we have a way o' pickin' out men. We see how they stain top to danger an hird work an' goin' thurger. Jack is a 'reglar he-man. I kip we me when I see hen, which—'it's a sire fact—'ive seen sil kinds. He's got brains an' courage, an' a tough arm an' a good heart. He'd die fer a friend any day. Ye kan't do no more. So don't make no mittake bout he had been and he word—call it king e lord er duke er any name ye like. So, sir, if ye feel like doin' suthin' fer me-which I didn't never have to be 'shamed o' him."

"He's a likely lad." said Colonel Hare. "And I am rather Impressed by your words, although they, present a view titat is ney to me. We shall be returning soon and I dire say they will presently forget eath other, but off not, inch he becomes a good in ana as good a man as lot stanter. As per Stanter.

would gladly put her hand in

his."

At Fort Stanwix, John Irons sold his farm and house and stock to Peter Bones and decided to maye his family

The meeting over, Jack and Solomon

went on by sings to Boston for a fool,
They arrived there on the fifth of
March a little after dark. The moon
was shining. A snow florry had, whit,
the Ship and Anchor. While they
were dathy they should be ship
of Brillsh, soldlers who were encamped
near the Prespiterian meeting-house

preaching.

near the Prespyterian meeting-nouse had beaten their drums on Sunday so that he ownershiper could hear the preaching.

And the worst off it is we are compensation of the country is and a minister who isn't at the table. After shiper June in 800 mon went out for a walk. They heard violent telk sinding people gathered at the sirect corners. They soon overtook; a moisy crowd of boys and young men carrying clubs. In front of Murray's bitracks, where the Twenty-ninth regiment was quartered, there was a chattering crowd of men and boys. Some of them were hooting and cursing at two sentiles. The streets were lighted by coll ismps and by candles in the windows of the houses.

In Cornhill they came upon a larger and more violent assemblage of the same, kind. They made their was through of the most of the conditions o

Present, an oil combine of somonal estad to him:

"Go arount to leadquinters and sell in the search of the search

The danger was passed. Solomon shouted:

"I used to know Preston when I were a scout in Amheric's army fightin' injunciant, Frenchmen, which they's morph riventy notches on the stock o' my rifle an' fourteen on my pelt, an' my 'name is Solomon Binkus from Albany, New York, an' if you'll excuse us, we'll put for hum as soon as we kin git erway convenient.

In the morning they learned that three men had been killed and five others wounded by the soldiers. Sounds of men and boys with loaded muskets were, mirching into town from the country.

"It means that war is coming. We might as well get ready for it."

(TO BE CONTINUED.)

Preparedness

He—My dear, it's no use for you to look at those bats, I haven't more than a dollar in my pocket.

She—You might have known when we came out that I'd want to buy a few thinks.

He—I did.—Boston Transcript.
